

WESTERN®

LOW-PRO 300W

WIRELESS ELECTRIC TAILGATE SPREADER

Mount up and get going! The WESTERN® LOW-PRO 300W wireless electric tailgate spreader delivers the ultimate in “plug ‘n’ play” convenience. Easy to mount on many vehicles without drilling or wiring, the LOW-PRO 300W tailgate spreader comes with a standard 2" receiver hitch and a 7-pin plug, *and a completely wireless key fob control!* Available with mounts to fit pickup trucks, SUVs, utility vehicles and tractors.

LOW-PRO 300W

THE ULTIMATE IN WIRELESS CONVENIENCE

WIRELESS CONTROL

One-touch, on/off operation offers two spinner speeds to match the spread pattern to the job.

CLEAR WEATHER COVER (ACCESSORY)

The optional cover keeps material dry and flowing freely, while offering a clear view inside the hopper.

SPREADER CAPACITY

The maintenance-free poly spreader holds up to 3 cu ft of rock salt.

EASY ON / OFF

Attaching and detaching the LOW-PRO 300W tailgate spreader is easy with a standard 7-pin plug.

12-VOLT ELECTRIC MOTOR

Fully enclosed 12-volt electric motor and maximum torque transmission.

SPINNER

A 10", corrosion-free spinner ensures optimum delivery of ice melt and long-life performance.

VEHICLE MOUNTS

Comes standard with a 2" receiver mount. Additional mounts available include a drop utility, 3-point, trailer and utility mount.

Capacity	Hopper Construction	Dimensions Overall (LxWxH)	Approximate Weight (empty)	Electric Motor	Auger (Diam. x Length)	Spinner Size	Spreading Width	Materials	Vehicle Application	Available Mounts
